Help Your Patients Relax, Recharge, and Renew With Stress Essentials.

Help your patients manage their stress effectively with our favorite stress-fighting duo: Stress Essentials Relax and Stress Essentials Calm.

Stress Essentials Relax balances neurotransmitters in the brain to help reduce stress, improve mood, and support overall well-being, making it easier to manage daily challenges and maintain mental clarity.*

Product Benefits:

- Supports healthy GABA-glutamate balance.*
- Supports relaxation and tranquility.*
- Supports cognitive function and a healthy mood.*

Stress Essentials Calm combines L-theanine (Suntheanine®) and GABA to help manage stress, support cognitive function, and improve sleep quality, making it an ideal choice for ongoing stress management.*

Product Benefits:

- Supports relaxation, balance, and mental clarity.*
- Promotes restful sleep.*
- Supports healthy cognitive and immune function.*
